

R.R. Singh

Smt. Manthripragada Sita Devi – Sri Rama Rao medal

Dr. R. R. Singh born in 1956 holds Ph.D. degree from Gorakhpur University in the field of Solid Rocket Fuels. He has more than 30 years rich experience in E & P industry both in R & D as well as Onshore & Offshore oil field operations. His specialization includes isotope hydro geochemistry, geochronology and geochemical surveys. He is responsible for the development of in-house technology for removal of scales for production enhancement in Bombay Offshore field. Dr. Singh has been responsible for the implementation of environmental management system studies for oil field operations and coordinated the work related to environmental clearances for ONGC projects from the Ministry of Environment & Forests, Government of India, New Delhi. Dr. Singh has visited USA, European countries and Middle East for various assignments.

Dr. Singh currently Heads the Geochemistry Group of KDMIPE and was responsible for the development and absorption of State-of-the-art technologies for reducing the risk in hydrocarbon exploration and addressing the problems related with production and transportation of hydrocarbon in the country.

The Executive Council (EC) is pleased to award him the medal and certificate in recognition of his research work.
