UNDERTAKING BY AUTHORS

Submission of an article implies that it has not been previously published and is not under consideration for publication elsewhere; and further, that if accepted, it will not be published elsewhere.

Three copies of manuscript and a soft copy in Ms-word (CD) of all categories are to be submitted with a letter of transmittal giving (i) name and complete addresses (including telephone numbers, Email i.d. etc. if available) of all the authors and (ii) title of the contribution and the category in which it is submitted.

The author should give an undertaking while submitting the paper that the manuscripts submitted to journal have not been published and have not been simultaneously submitted and that the manuscripts are their original work.
