

Bio Data

Srikanth Srigiri

Sri. Srikanth Srigiri did his M.Sc. (1998) in Environmental Science, Kakatiya University, Warangal, Andhra Pradesh, India

Presently he is pursuing Ph.D program in Integrated Waste Management – Application of Computer Models to compare Heavy Metals concentration in Urban Municipal Solid Waste in developed country (USA) and developing country (India) - Pondicherry University & IIT Delhi – 2010 – Present - Research Scholar

His areas of interest are Ecology, Environmental Sciences, Analytical Geochemistry, IMSWM (Integrated Municipal Solid Waste Management), Waste to Energy, Emerging technologies in waste Treatment methodologies

He has worked at EPTRI – Project Scientist – 1998-99; NRSA – 1999-2000 – Project Scientist, EdgeTech Canada – 2000-2003 - Software Developer, Manager Technical Services – 2003-2005, Director Technical Services – 2005- 2006, Vice President Technical Services 2006 – 2007, Board of Director 2007 – 2009, ComTec, USA– Sr. Vice President 2009 – Present;

He has published two important articles

1. Journal of Applied Geochemistry–MUNICIPAL SOLID WASTE– A POTENTIAL LATENT RESOURCEFOR NON-CONVENTIONAL ENERGY IN INDIA: NEEDS AND CHALLENGES
2. Journal of Waste Management STATUS AND STRATEGIES OF INTIGRATED MUNICIPAL SOLID WASTE MANASGEMENT IN TWIN CITIES OF SECUNDERABAD-HYDERABAD (INDIA)

Awards/Honours:

Young Scientist Award – 1988-89 – State Govt of Andhra Pradesh

Science Association Nominee – 1991-1993 – Kakatiya University, Warangal

Special Presentation Award – 2000 – Environmental World Trade Show – Halifax, Canada

Membership with Professional Associations:

SWANA (Solid Waste Association of North America),

ISWA (International, Solid Waste Association,

ISAG(Indian Society of Applied Geochemists)
